

## Junior UI & UX Designer Task

### Brief

- Complete the task outlined below using Sketch.
- Email [lucia@yellow.build](mailto:lucia@yellow.build) with a WeTransfer link to a folder containing your work.
  - Include an export as well as your original sketch file.
  - Name the folder & email subject "[Your full name] Junior UI & UX Designer Task".

### Task

- Replicate the Spotlas Home Screen in Sketch.
  - Your design should resemble the current Home Screen as closely as possible.
  - Optimise your use of symbols.
  - Set up resizing so that the artboard can be resized to a variety of mobile screen sizes.
